

July 2023

Dear Parent/Carer

MCAS (MY CHILD AT SCHOOL)

As we approach the end of the Summer term, I would like to ask you all to look forward to the new and exciting Autumn term.

As from September we are asking for all parents to be signed up to the MCAS app, MyChildAtSchool. Follow the link below for a guide on how to access it via your mobile phone or via web browser on a computer:

Once you have signed up to the **MCAS app**, you will be able to start getting organised for the Autumn term with the following features:

1. We are transitioning from the paper-based letters and moving towards a digital notification for parents to instantly be kept up to date with the communication from the school.
2. You will be able to register your child for clubs (The app will provide you a notification once the clubs sign up is live).
3. Nursery provision will also be paid for on the app.
4. All dinner payments will be made on the app, we will not be accepting cash in the office.
5. Trip payments will be made on the app, no cash in the office.
6. You will also be able to update your child's details via the app. This is crucial as all information will be held here. You will no longer need to tell the office. YOU will be responsible for keeping all details up to date.

We are encouraging you all to take the time to install the app to your device as this will be the main form of communication, as all letters and correspondence will be sent via the app from September.

We hope that it will be a smooth transition for everyone. If you do experience any problems signing up or with the app, please contact **Bordesley IT on 01527 586944** or **support@bordesley.it** where they will be able to help you.

Yours sincerely

Mrs Downes

Headteacher

Everything in **one** place to support your child.

**Download
the app
today.**

I have two children and can use the app to see how they are getting on in school. I can also manage my finances between the school using the app. One area I really like is the clubs and trips section. I can choose clubs for my child and provide permission and pay electronically! Such a life saver when you are a busy parent!

Parent Quote

What is MCAS?

MyChildAtSchool (MCAS) is a portal that can enable parents to view their child's academic performance in real-time via a web browser mobile app. This facility allows exclusive access to **key academic dates, attendance information** and the personal details the school holds for you and your child. Your school may have launched some or all of the following modules which are available in MCAS:

Assessment

Dinner Money

Online payments

Reports

Attendance

Clubs / Trips

Parents Consents

Pupil
Details

Behaviour

Homework

Parents Evening

Timetable
