Governors Statutory Responsibilities and Functions

In all types of schools, governing boards should have a strong focus on three core strategic functions:

- a) **Ensuring clarity of vision, ethos and strategic direction,**
- b) **Holding the executive leaders to account for the educational performance of the organisation and its pupils, the performance management of staff; and**
- c) **Overseeing the financial performance of the organisation and making sure its money is well spent.** (Extract from Governance Handbook October 2020)

Governance Handbook/Competency Framework for Governance

Please refer to the Governance Handbook and Competency Framework for Governance published by the Department for Education. The latest versions are available online below:

[Governance Handbook October 2020](#)

[Competency Framework for Governance January 2017](#)

Review of committees and delegation

The governing board must review the committee structure, terms of reference for each committee and the membership of each committee on an annual basis.

Terms of Reference

The following committees established by the governing board comply with The School Governance (Role, Procedures and Allowances) (England) Regulations 2013.

The head teacher/principal can attend all meetings of any committee established by the governing board but in some instances, this may only be in an advisory capacity. When an issue is being discussed which directly affects the head teacher/principal they must, as with any other governor in a similar position, declare an interest and physically withdraw from the meeting.

In maintained schools the quorum for a meeting of the full governing board and for any vote on any matter at such meeting, is one half (rounded up to a whole number) of the membership of the governing board at the time of the meeting **not including any vacant positions**. In the event of equal votes, the chair has the casting vote.

Virtual meeting arrangements

The Governing Board has approved the use of “virtual attendance” at meetings (approved at FGB meeting on 22nd September 2022)

For full details, please refer to the Virtual Governance Policy.

Committees

The legal minimum quorum for committee meetings is three voting governors. The quorum for committees will not include associate members – despite any voting rights they may have been given – as they aren't considered to be members of the governing board.

The appointed governance professional will undertake the clerking of the committees.

The committee minutes shall be included as an agenda item for consideration/information at the next meeting of the full governing board where appropriate.

All decisions made by committees with delegated powers should be reported to the next full meeting of the governing board. If the minutes are not finalised a brief statement of the conclusions reached should be given.

The chair of the committee will be appointed at the first full governing board/committee meeting of the academic year. Governors who are employed by the school are not eligible to be appointed as chair.

Committees will have delegated powers to approve policies as relevant to that committee.

The governing board cannot delegate any functions relating to:

- The constitution of the governing board (unless otherwise provided by the constitution regulations),
- The appointment or removal of the chair and vice chair/clerk,
- The appointment or removal of governors,
- The suspension of governors,
- The delegation of functions and establishment of committees,
- Change of school name or status,
- Salary range for the head teacher/principal & deputy/vice principal.

Associate Members

In maintained schools the governing board can appoint associate members to serve on one or more committees of the board. Associate members can attend full board meetings but may be excluded from any part of a meeting where the business being considered concerns a member of school staff or an individual pupil. They can be appointed for a period of between one and four years and can be re-appointed at the end of their term. Associate members are not governors, and they are not recorded in the instrument of government (Extracted from Governance Handbook October 2020 – Page 64, paragraph 53).

NB: Associate members are not governors and therefore do not have a vote in full governing board decisions but may be given a vote on decisions made by committees to which they are appointed.
