

Learning Opportunities

The Nursery children are learning about woodland animals and reading the story book called 'The Gruffalo'. They enjoyed creating and painting foxes and making a display about their woodland friends.

Year 4 are learning to build structures with trusses. They looked at different knots and fastenings to secure the structure.

Another great week of learning.

Year 1 are learning all about the weather and how to create forecasts. It was lovely to see them reading the forecast to their friends.

Parent Governor

We have a vacancy for a parent governor. If you are interested, then please let the office know.

Attendance

Good attendance at school is not just valuable, it's essential. Attendance in school is directly linked to improved learning outcomes. It is vital that the children are in school so they don't miss out on key learning opportunities and start to fall behind their peers or not make as much progress as they are capable of.

The Government expects all schools to reach

at least 95% attendance.
