

### Learning Opportunities

Year 1 visited Warwick Castle and had the opportunity to explore the castle and its history. Year 4 celebrated their Art festival with a trip to the amazing ruins of Witley Court - the ruins of a fantastic stately home in the Worcestershire countryside. It is surrounded by amazing gardens and parklands, which they used as inspiration for their artworks.

Around school I saw children from Reception looking for bugs under logs.

It is also great to hear the children talk about their achievements outside of the school environment. Well done to all those children who make a commitment to a club outside of the school.
